EXPERIENCE

ROBOTICS STUDIES INC, San Francisco, CA — Student-Tutor

February 2017 to March 2019

Provided academic assistance to students with subject-specific problems and questions to improve student academic achievement.

Demonstrated reliability by attending scheduled sessions and communicating in advance of cancellations.

Offered complete instructional support for students unable to attend regular classes.

EDUCATION

Ocean View High School, Huntington Beach, CA — High School Diploma

August 2016 - May 2019

Arizona State University, Tempe, AZ — Informatics B.S.

Expected in May 2023.

Hobbies

Electric Guitar, Poet, Song Writer.

I have a deep love for the art of music and beautiful writings. In my free time I like to practice my guitar and learn new songs. I also like to go on walks to get inspiration for new songs and poems.

SKILLS

Group tutoring

Homework assistance

Team management

Special education

Problem resolution
